

A new career opportunity
teaching LONGEVITY!

Light of Life Longevity® Exercises Instructor Training Course Bologna (Italy) 2008

Becoming a Light of Life Longevity® instructor offers you a flexible and creative career possibility as well as the opportunity to help and benefit others. Howard Lee's Senior Longevity Instructors conduct this workshop and are able to train people of all ages and with different degrees of ability. So to join a Longevity Instructor Course you are not required to have prerequisite athletic skills.

The extraordinary aspect of master Howard Y. Lee's unique system of exercise is its powerful **energy content**. This is why we state that the Light of Life Longevity® Exercises are absolutely the most innovative and revolutionary in the art of wellbeing. These are not just physical exercises. They are movements encoded with a powerful healing and transformative knowledge-energy, acting at all levels of one's being. They are called Longevity Exercises for their immediate restorative and rejuvenating effects.

Exclusively in this course program, through his renowned Induction process, Howard Y. Lee enables participants to tune into the **Cellular Rejuvenation** component of The Light of Life® Energy matrix. This powerful gift of energetic endowment is permanent and very powerful for both personal and professional uses. Longevity Instructors are given an instrument of great magnitude, and are instantly able to immerse themselves and their class in The Light of Life Energy. This transmission of energy-knowledge, is the most powerful rejuvenating resource there is, simultaneously promoting health and well being in all areas of one's life.

On successful completion of this coursework you will be awarded the Light of Life Longevity® Instructor Diploma, issued by The Light of Life® Institute. You will become part of the growing list of International Light of Life Instructors and Practitioners. While you teach, you will also be improving the quality of your life and that of your students. You will be astounded in seeing the immediate changes. It is truly the most revolutionary system of exercises there is! You will be pioneering a new powerful intent, a resource becoming known for its benefits, profound and unprecedented.
